

# 2020 Summary Annual Report

## Delta Pilots Mutual Aid

This is the Delta Pilots Mutual Aid Summary Annual Report for the 2020 plan year, which is published annually to satisfy our Department of Labor regulatory obligations. We also take the opportunity to update the membership regarding the most substantial events from the previous year. 2020 was a challenging year for DPMA as we dealt with the pandemic and sought to continue serving our members. Our Executive Director quickly implemented changes in information technology and computer software systems to allow our team to process member claims remotely as well as providing first class support of members with questions about how they would be paid during the pandemic. The results were incredible. We provided support for over 790 members and paid over \$23 Million in benefits to our members. We continue to have over 99% participation rate, which speaks to the value we provide our members. I'd like to thank our Trustees, Executive Director and our professional staff for their work in making the transition to and from disability as seamless as possible for our members.

This is a summary of the annual report of the DELTA PILOTS MUTUAL AID, EIN 58-2308503, Plan No. 501, a disability and death benefits plan, for the period January 1, 2020, through December 31, 2020. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employer Retirement Income Security Act of 1974 (ERISA). Delta Pilots Mutual Aid has committed itself to pay certain disability claims incurred under the terms of the plan.

### **Basic Financial Statement**
